Sir:

This Renewed Petition under 37 CFR §1.181 is being filed further to applicants' Petition filed on January 18, 2007 and the Decision on Petition mailed by the U.S. Patent Office on March 5, 2007. The due date for filing a Renewed Petition is May 5, 2007. Accordingly, this Renewed Petition is being timely filed.

The Decision on Petition indicated that applicants' prior Petition was deficient for not including "a copy of the docket record where the non-received Office action would have been entered had it been received (the docket records must also be referenced in petitioner's statement)." The Decision indicated that the required docket records are those records showing all applications docketed for responses due on 22 May 2006 and that ideally the submitted records would list all the applications or docket numbers with

responses due on or around 22 May 2006.

In reply, enclosed herewith is a copy of the firm's docket sheets for patent and patent application response due dates for the period 01-May-2006 to 31-May-2006 (229 pages), which show that no due dates were docketed for the subject application.

Applicants believe that the requirements for the Petition under 37 CFR §1.181 to Withdraw Holding of Abandonment are now fulfilled. If there are any additional matters preventing the consideration of this petition, applicants request that the Patent Office telephone the undersigned attorney.

Applicants further request that the Patent Office re-issue a Notification of Missing Requirements in connection with the subject application.

No fee is believed to be necessary with this filing. However, if any fee is required, authorization is hereby given to charge the amount of any such fee to Deposit Account No. 01-1785. Further, if necessary, authorization is hereby given to convert the present Petition to a Petition to revive an unintentionally abandoned application.

Respectfully submitted,
